

Announcements for Oct. 6, 2026

Are you looking to find some extra fun at school? Or to establish some new connections with your peers? Come down to the Agora during lunch today to check out the first Club Fair of the school year. This is your chance to explore, ask questions and hopefully find the right club for you. Club Fair. Today. Lunch. Agora. See you there!

The City of North Vancouver is creating a new, innovative, free outdoor ocean swimming space at Waterfront Park, called Harbour Swimming Deck.

The Harbour Swim Deck Team will be here on THURSDAY at lunch in the agora for students to learn about the project and to share their feedback on it.

Are you interested in being a bigger part of the school community and helping our student body share their voice? Now is your time to shine! Student Council is currently accepting applications for the positions of Grade Representatives for grades 9-12. No previous experience with Student Council is required. Application forms can be found outside the main office. You may also learn more about this opportunity at the Club Fair tomorrow – just look for the Student Council table! The deadline for applications is Friday, October 9th, so don't delay! If you have any questions regarding the process, please contact Mr. Everton any time.
