

CARSON GRAHAM SECONDARY

August 31, 2026

Hello Carson Graham Families,

Welcome to the 2026-2027 school year! On behalf of the entire staff at Carson Graham, I want to extend a warm welcome to our new grade 8 students and to those joining Carson for the first time. We are excited to begin another school year and look forward to seeing students return next Tuesday.

Our enrolment stands at approximately 1400 students supported by over 130 dedicated staff members. Our administrative team is made up of Vice Principals Mr. Tuzar Irani and Ms. Stephanie Strandt, together with myself. We are committed to supporting your student's learning, growth, and well-being. At Carson, our mission is to provide a safe, inclusive, and engaging environment that encourages resilience, self-confidence, and the development of the core competencies: critical and creative thinking skills, communication, and personal & social responsibility. We also encourage students to get involved in the wide range of extracurricular opportunities available throughout the year.

Last fall, we placed an emphasis on attendance and punctuality. We will continue this focus this fall. These are essential life skills that transfer beyond the classroom. Regular attendance and active **engagement** in class directly improves student success, while arriving on time demonstrates respect for learning, staff, and peers. We appreciate the support of parents and guardians in helping their students arrive at school on time each day and in scheduling appointments and holidays outside of school hours whenever possible. Once in class, it is important that students engage and take ownership of their learning.

This email contains the following attachments:

- Carson Graham Opening Day schedule
- CGS monthly calendar
- CGS daily schedule showing block rotations
- CGS fillable schedule
- Password reset information
- RCMP e-scooter/e-bike safety information

A separate letter to grade 8 families will also be emailed shortly. We are looking forward to welcoming students back next Tuesday. In the meantime, we hope you enjoy the last days of summer.

Warm regards,

Kim Jonat
Principal

2026-2027 Carson Graham Secondary

START UP INFORMATION

Opening Day Schedule

Please see the attached ***Opening Day - Tuesday, September 8th schedule.***

Daily Schedule

Carson Graham's daily schedule is attached to this email. Note the late start and advisory dates listed at the bottom. The schedule includes a daily tutorial period.

Carson Graham Monthly Calendar

The monthly calendar is attached to this email. It is also posted on the Carson Graham website. Please note dates and activities are subject to change. The online calendar will reflect any changes during the year.

Student Schedules

Students will receive their schedule on Tuesday, September 8th after their grade assembly.

Course Change Requests

Carson Graham is full, and many classes are full, so changes are unlikely. The timetable was built based on student course requests made last Spring.

Students will receive their schedules on **Tuesday, September 8th** (the first day of school).

Beginning on that day, students may submit a **Course Change Request** using the **QR code posted** outside the Main Office and Counselling area. **Students must be in the school building to scan the QR code and access the online request form.**

Requests will be placed in a **virtual queue**, and counsellors will contact students directly **through Microsoft Teams** to review the status of their request.

Please note the following:

- **Deadline:** All Course Change Requests must be submitted by **Friday, September 25th at 3:00pm.**
- **Process:** To ensure the process is fair and equitable for all students, **only requests submitted through the online Course Change Request form will be considered.** Requests sent directly to counsellors by email, or made in person, **will not be considered and will be redirected to the online form.**
- **Criteria:** Due to the tight timetable, and as students and families were reminded in February to choose courses carefully, changes will only be considered in the following circumstances:
 - **Incomplete timetables** (missing courses)
 - **Missing graduation requirements**

CARSON GRAHAM SECONDARY

Please note: Requests for teacher choice, friend placements, or other personal preferences will not be considered.

We appreciate your understanding and support in keeping this process equitable and efficient for all students.

Grade Counsellors & Grade Administrators

We are fortunate to have 5 grade counsellors at Carson. The first point of contact is usually your student's classroom teacher and/or grade counsellor, followed by the grade administrator.

Although students may see any counsellor they wish, the school assigns the following grade responsibilities.

8	Ms. Tamara McKay Tmckay@sd44.ca	Mr. Tuzar Irani tirani@sd44.ca
9	Ms. Karen Marshall kmarshall@sd44.ca	Ms. Stephanie Strandt Sstrandt@sd44.ca

Health Awareness

Please help us keep everyone safe and healthy this year. If your student is ill, please keep them home and contact the office.

If your student becomes ill while at school, they need to let their teacher know and then report to the office immediately. Office staff will then contact parents/guardians to come and pick up their student.

Life-threatening Medical Conditions

If your student has a life-threatening medical condition, please contact the office to confirm/update the current information on file.

If your student has an anaphylactic allergy and keeps an epi-pen in the office, please ensure you provide an updated one to the office as soon as possible.

Allergy Awareness

If your student has an allergy, we encourage you to have a conversation with your student about how to keep themselves safe at school.

We have several students with severe allergies at Carson Graham, including food allergies. Please remind your student not to share their food with anyone at school, to wash their hands frequently and to clean up after eating.

Visitors

Staff are busy working with your students throughout the day, and teachers are generally not able to meet with parents during instructional hours. Please make an appointment with staff before coming to the school. **All visitors must sign in at the office during instructional time.**

Parents/guardians are welcome to spectate at athletic games, concerts, and other performances open to the public.

IB Program

Carson Graham is proud to offer the MYP to all students in grades 8 to 10. This program aims to help students develop their personal understanding and their emerging sense of self and responsibility in their community while challenging them to embrace and understand the connections between traditional subjects and the real world.

The MYP is an **inquiry-based program**; students inquire into issues and ideas of personal, local and global significance through **concepts** that have relevance within specific disciplines and across subjects. All students in grades 8 to 10 study the **B.C. Curriculum** through an MYP lens in 8 curricular areas: Arts, Design, Individuals and

Societies, Language Acquisition: French, Spanish or Squamish, Language and Literature: English, Mathematics, Physical and Health Education, Sciences.

The **Approaches to Learning (ATL)** are a unifying thread throughout all MYP subjects. The ATLs provide the foundation for independent learning and encourage the application of knowledge and skills in unfamiliar contexts. Developing and applying these social, thinking, research, communication and self-management skills helps students learn how to learn.

For further information on the IB MYP Program please see the sections on the left side of the website [here](#).

The IB Diploma Programme at Carson is an internationally recognized university preparatory program that is widely acknowledged as the most prestigious high school diploma available to students. Students apply to the 2-year DP program by February of their grade 10 year. For more info on the DP program click [here](#).

PADS Service Dogs

Carson has two PADS service dogs: Diego and Aslan. Diego is with Ms. McKay in the counselling area, and Aslan is with Mr. Blay in a science classroom. Students are welcome to drop by outside of class time to say hello. Diego and Aslan are very friendly and are here to work with our students. Please do not feed the dogs, play fetch, or leave any food out.

CARSON GRAHAM SECONDARY

Optional Breakfast Program

Students are encouraged to eat breakfast before coming to school. Carson will have breakfast (bagels, fruit, etc.) available at the Eagles Nest during tutorial time for any students who need breakfast. The Eagles Nest is near the library and counselling area.

Grade 9 to 12 students use their locker from last year. Students without a locker can request one in the office. They will be assigned a locker within a couple of weeks.

Gym lockers are available in the PHE changerooms for day use only for students in PHE. Students should bring their own lock and lock up their belongings during PHE class. Do not leave valuables unlocked; the school is not responsible for lost or damaged items.

Agenda Books

Grade 8 students will receive a Carson Graham agenda book on September 8th. Students are encouraged to use their agenda book to write down assignments, extracurricular activities, work/volunteer schedules, family commitments, and due dates. Regular agenda use helps students develop their time management and organization skills.

Any student who would like an agenda can pick one up from the office in the first week – first come first serve.

Lost & Found

The lost and found is beside the agora near the elevator. Small lost and found items such as jewelry, electronics, wallets, etc. are held in the office. Please label items so we can get them back to you! Students are responsible for all items brought to school. We discourage students from bringing valuables to school.

Athletics

Are you interested in joining a Carson Graham team?

Students should check the Athletic notice board next to the large gym for team sign-up and information as well as their Microsoft Class Team. Most teams are determined in the first two weeks of school, so it is important to sign up right away. The teams we offer depend on student interest and availability of coaches and sponsors.
